

Essyllt

Essyllt is a bruxa living in [Beauclair](#).

Biography

When Essyllt awoke from hibernation, she went hunting in the city. She eventually came across the vinter Vladov Varga. They spent a long time talking with each other about various topics ranging from baking to smithing. When Vladov excused himself and left, Essyllt started following him.

When they reached a dark street on the city's outskirts, Essyllt revealed herself as a bruxa and attacked.

Essyllt managed to wound Vladov, but the dwarf put up too much of a fight for her to be able to properly feed on him. Vladov managed to hold her off long enough for the sun to come up, at which point Essyllt decided it was not worth the trouble anymore and fled.
